Challenger Concept (M) Sdn. Bhd. which was founded in 1992, is an established publisher specialising in the publication of education and training guidebooks in Malaysia. From a humble start of only one publication a year after it was first incepted, the company has grown from strength to strength and is today the leading publisher for education and training directories in the country with the above publications and online portals under its wing.

We have been working conscientiously to deliver the most comprehensive and reliable information on study opportunities in Malaysia that include pre-u education, and undergraduate and postgraduate studies. It is our commitment to continue bringing insightful and useful education information and resources to students, parents, school counsellors, educators, and other education-related organisations in Malaysia and abroad.
